

Resolution

No 37 ³¹ Introduced By _____ Supervisor

WHEREAS, at present the University of Hawaii is the only state supported four-year university within the State; and

WHEREAS, the enrollment at the University of Hawaii is growing at such a rate that the establishment of a second state supported four-year university is anticipated within several years; and

WHEREAS, the island of Maui is centrally located within the State and has many other features which are ideal for a state supported four-year university; now, therefore,

BE IT RESOLVED by the Board of Supervisors of the County of Maui that it does hereby respectfully request the Governor of the State of Hawaii and the Board of Regents of the University of Hawaii to seriously consider the island of Maui as one of the sites for a new state supported four-year university; and

BE IT FURTHER RESOLVED that certified copies of this resolution be transmitted to the Governor of the State of Hawaii and to the Board of Regents of the University of Hawaii.
